

FULL SYNTHETIC

IDEMITSU RACING

4-STROKE ENGINE OIL 5W-30

This formulation has been specifically engineered to provide maximum performance and protection for racing engines being used under severe conditions. Built on a tradition of excellence by IDEMITSU, this technology is derived from decades of experience formulating premium lubricants for Japanese auto manufacturers.

- Special Molybdenum Agents Reduce Friction, Boosting Horsepower & Torque
- Enhanced Film Strength Provides Excellent Durability and Wear Protection
- Special Additives Reduce Carbon Deposits on Piston Rings, Minimizing Compression Loss and Maximizing Power Output
- Superior Shear Stability Decreases Viscosity Breakdown, Which Ensures Consistent Quality Performance Over the Life of the Oil

Application:

- Formulated specifically for High Performance Racing Engines
- Compatible with turbo charged and super charged applications
- Compatible with Methanol Alcohol and Gasoline Fuel
- Fill Crankcase to Manufacturer's Recommended Level

Characteristics:

Exceeds API Service Class SM

SAE Grade:	5W-30
Viscosity @ 40°C	62.2 cSt
@ 100°C	11.3 cSt
Viscosity Index:	178
CCS Viscosity @ -30°C	5,250
Pour Point:	-51°C
Flash Point:	240°C

Packaging:

Quart (.946 L)

**IDEMITSU Racing USA**
